Dear Bro. Knights,

Greetings from Fr.Lawrence.

This is a delayed mail as I had some difficulty to get these pictures from Mobert. Anyway better late than never.

I am attaching some pictures of the beneficiaries of the winter Jackets you sent. I distributed them on the very day of Christmas when they had come for Mass and around 12 people came for Mass. I distributed all the jackets to them and they were extremely happy about it and they convey their BIG THANK YOU to all of you.

I am personally thankful to you for your concern towards the native community with whom I am involved. As you might know, this is the most backward community in Northern Ontario and it is very hard to work with them. By God's grace, I am happy to be here to serve them.

Bible says, Whatever you do to the least of my brothers or sisters, that you do unto me. So what you did was actually done to HIM who will bless you abundantly in the days to come.

May God bless all the members of Knights of Columbus and the parish community. My sincere thanks and regards to Fr.Oswin.

Thank you very very much.

Fr.Lawrence
